Each request for sick leave shall set forth the reasons for the request and such further information as may be required. Each request for more than five (5) consecutive work days of sick leave shall be accompanied by a doctor's verification or other evidence satisfactory to the appointing authority which demonstrates the employee's incapacity to return to work or necessity to be absent. A request because of the death of a member of the employee's immediate family will not require such verification.

Such calculation shall not include any increase in pay which would have occurred had the sick leave been granted, nor shall it include payment for any holidays.

3. The Director may grant the request in whole or in part and determine the duration of the injury leave, or may deny the request. The Director shall notify the employee and the appointing authority in writing, if injury leave is denied.

The decision of the arbitrator shall be final.

ARTICLE 6. PAID LEAVES (Cont'd)

F. Duration of Injury Leave

1. No injury leave may be granted during the first three (3) full calendar days after the employee leaves work as a result of the injury, except where the injury causes disability of more than fourteen (14) full calendar days or necessitates hospitalization within the three (3) day waiting period. In such cases, injury leave may commence the first day the injured employee leaves work or is hospitalized as a result of the injury.
2. The duration of injury leave shall be that determined by the Director, after an investigation. An injury shall be deemed to continue through a recurrence, aggravation, or sequelae of the initial injury for which the leave may be granted. Injury leave shall not total more than ninety (90) aggregate calendar days for the particular injury.
3. If, subsequent to the granting of injury leave for a period of less than ninety (90) aggregate calendar days, it appears that leave should be granted for an additional period of time, the employee may request additional injury leave. This request shall be submitted and determined in the same manner as an original request for injury leave, provided that the total duration of the original and additional injury leave shall not exceed that specified in 2. above.
4. In no event shall any injury leave exceed a total of ninety (90) aggregate calendar days, extend beyond five years from the date of the initial injury, nor extend beyond the period in which the employee is employed.

I. Workers' Compensation and Leave

1. An employee shall not, through a combination of temporary disability indemnity payments and paid sick leave, or injury leave, receive payment in excess of his or her wage rate. The amount paid for such leaves shall be decreased by the amount of any temporary disability for the same period to which the employee is or may be entitled under Workers' Compensation.
2. If an employee has received his or her wage rate as paid sick leave, and temporary disability back payments covering the same period are made to the employee, then the employee shall be liable to the County for the amount that the combination of such back payments and sick leave exceeds the employee's wage rate. The County may deduct from any future payments it makes to such employee an amount equal to the total of such excess payment. Insofar as practical, such deduction shall be done by a method that will not cause undue hardship to the employee. To the extent that such deductions represent compensation for sick leave used, the employee's sick leave balance shall be restored.
3. Nothing herein contained shall be deemed to affect the employee's entitlement to medical, surgical and hospital treatment or temporary disability indemnity benefits under Workers' Compensation.

J. Light Duty

Where the injured employee's treating physician authorized by the County recommends light-duty assignment, it will be the responsibility of the appointing authority to arrange suitable light duty. B. Duration of Leave

Leave is granted for the time the employee is in attendance at court together with reasonable travel time between court and the employee's work location. If attendance at court is for less than a full day, the employee is to return to work, provided that adequate time exists prior to the end of the employee's regular work shift for the employee to so return.

To minimize time away from the job, employees must utilize available court call-in programs.

Section 7. Educational Leave

An employee may receive paid leave to attend courses, seminars, workshops or conventions that enhance, improve or add to the knowledge, skills and performance in the employee's County position.

The determination as to when and whether an employee is granted this leave shall be made by the employee's appointing authority. Request for such leave will be submitted in the manner prescribed by the employee's appointing authority.

C. Conditions

The appointing authority may direct an eligible employee to take administrative leave only if there is the occurrence, or the likelihood for the occurrence of, emergency or extraordinary circumstances which satisfy either one (1) or both of the following two (2) conditions:

1. The immediate removal of the employee from the County work site is essential to avert harm to the County (including unauthorized destruction or removal of any property or records of the County), the public, other County employees, or the employee himself or herself, and that such circumstances are sufficiently unclear to make a final determination without an investigation of whether the employee contributed or may contribute to such harm.
2. The removal of employee from the County work site is essential to insure the conduct of a full, fair and complete investigation of such emergency or extraordinary circumstances.

D. Ineligibility

Notwithstanding subsections B. and C. above, the employee shall not be eligible to be placed on administrative leave if:

1. The appointing authority is able to avert the occurrence of the circumstances specified under subsections C.1. or C.2. above, by reassigning the employee to other duties or to a different work site within the department; or

ARTICLE 6. PAID LEAVES (Cont'd)

2. The employee agrees to take accumulated paid leave time off at the request of the appointing authority; or
3. E. Procedures

1. The appointing authority shall provide the employee written notice of the administrative leave, its effective date and duration, and the reasons for placing the employee on such leave. A copy of this notice shall be sent to the Director, Department of Human Resources and the Payroll Division of the Auditor and Controller.
2. The appointing authority shall commence an investigation of the emergency or extraordinary circumstances not later than one working day following the date of the written notice of administrative leave to the employee. The appointing authority may commence such investigation prior to the date of the written notice.
3. If prior to the end of the administrative leave period (as specified in the written notice to the employee), the appointing authority determines that the employee's absence is no longer essential, the appointing authority shall notify the employee that administrative leave is no longer authorized effective the next working day and direct the employee to return to duty on such date. Such notice may be oral, but must be memorialized in the form of written notice which shall be provided to the employee. A copy of this notice shall be sent to the Director, Department of Human Resources and the Payroll Division of the Auditor and Controller.

F. Duration

1. Administrative leave may be authorized for up to ten (10) working days for each separate and distinct set of emergency or extraordinary circumstances as set forth under subsection (C) above. Administrative leave may be extended for up to an additional twenty (20) working days if more time is needed to complete the investigation, subject to the approval of the Director. In cases of criminal investigations by law enforcement agencies or pending Skelly hearings, further leave may be extended upon approval of the

A copy of this notice shall be sent to the Director and the Payroll Division of the Auditor and Controller.

2. The duration of administrative leave, including any extension thereof, shall not continue beyond the day the appointing authority determines, based upon the investigation of the facts and circumstances, that the employee's absence from the County work site is no longer essential.
3. At the end of the ten (10) day period of authorized administrative leave, or thirty (30) day period if extended, the employee shall return to duty, unless:
 - a. Other forms of authorized leave are approved by the appointing authority; or
 - b. A final order of suspension or termination against the employee has been implemented.

Section 10. Catastrophic Leave Program

Leave credits, as defined below, may be transferred from one or more employees to another employee, on an hour-for-hour basis, in accordance with departmental policies upon the request of both the receiving employee and the transferring employee and upon approval of the employee's appointing authority, under the following conditions:

- A. The receiving employee is required to be absent from work due to injury or the prolonged illness of the employee, employee's spouse, parent or child, has exhausted all earned leave credits, including but not limited to sick leave, compensatory time and holiday credits, and is therefore facing financial hardship.
- B. The transfers must be for a minimum of four (4) hours per transaction and in whole hour increments thereafter.
- C. Transfers shall be allowed to cross departmental lines in accordance with the policies of the receiving department.
- D. The maximum leave credits received by an employee shall normally not exceed five hundred twenty (520) hours; however, if approved by his/her appointing authority, the total leave credits may be up to one thousand and forty (1040) hours. Total leave credits in excess of one thousand and forty (1040) hours will be considered

ARTICLE 6. PAID LEAVES (Cont'd)

- E. The transfers are irrevocable, and will be indistinguishable from other leave credits belonging to the receiving employee. Transfers will be subject to all taxes required by law.
- F. Leave credits that may be transferred under this program are defined as the transferring employee's vacation credits or up to twenty-four (24) hours of sick leave per fiscal year. Transfers shall be administered according to the rules and regulations of the Auditor and Controller, and made on a form prescribed by the Auditor and Controller. Approvals of the receiving and donating employee, the donating employee's appointing authority and the receiving employee's appointing authority (in the case of an interdepartmental transfer) will be provided for on such form.
- G. This program is not subject to the Grievance Procedure of this Agreement.

Section 11. Appeal of Disputes: Paid Leaves

Unless otherwise specifically provided for in this Article, any disputes which arise concerning the application or interpretation of the paid leave provisions of this Agreement shall have recourse to the Grievance Procedure herein and shall not be appealable to the Civil Service Commission.

ARTICLE 7. LEAVE OF ABSENCE WITHOUT PAY

A permanent employee may be granted unpaid leave either with the right to return or without the right to return. Prior to receiving any unpaid leave, an employee must exhaust all his/her vacation, compensatory time, and, if the leave without pay is for illness, all sick leave, before leave without pay can begin. Exception: No paid leave of any kind will be granted an employee who is on suspension as discipline.

Section 1. Leave Without Pay With Right of Return

If leave with right to return is granted, after such leave the employee shall be entitled to return to the same class in the same department as was occupied at the commencement of the leave.

At the discretion of the appointing authority, an employee may be granted:

ARTICLE 7. LEAVE OF ABSENCE WITHOUT PAY (Cont'd)

An employee granted leave without pay pursuant to this provision if not offered an opportunity to return to the same class of position in the same department at the expiration of such leave, shall be provided additional leave until a position in his/her class and department is made available to him/her, provided that such employee shall have the right to the first vacancy in his/her class and department which occurs during such additional leave, and provided further that such additional leave shall not exceed twenty-six (26) biweekly pay periods.
3. Leave without pay when certified by a medical doctor to be unable to perform the duties of the employee's position. Such leave shall be for the duration of the disability but not to exceed one year. However, if an employee is unable to return to work at the end of one year, the employee shall be placed on leave without pay without right to return for a maximum of one (1) year, as provided in Section 2. below.

At the discretion of the appointing authority, and approval of the Director, Department of Human Resources, an employee may be granted:

4. Leave without pay for good cause, other than illness, up to twenty-six (26) biweekly pay periods. Such leaves may be extended a maximum of twenty-six (26) biweekly pay periods by the Director. Leave pursuant to a sabbatical leave program approved by the appointing authority shall be considered leave for good cause.

Section 2. Leave Without Pay Without Right of Return

If leave without pay without right of return is granted, after such leave, the employee shall have no entitlement to return to the same class in the same department as he/she occupied at the commencement of the leave.

The Director, Department of Human Resources, may, with proper justification, grant a leave without pay without right to return for a maximum of twenty-six (26) biweekly pay periods.

ARTICLE 7. LEAVE OF ABSENCE WITHOUT PAY (Cont'd)

An employee granted leave without pay pursuant to this provision, if not offered an opportunity to return to the same class of position in the same department at the expiration of such leave, may be provided additional leave until a position in his/her class and department is made available to him/her, and provided further that such additional leave shall not exceed 26 biweekly pay periods. Any employee who is not returned to County employment at the expiration of the initial leave without pay and who is not returned to County employment within the next succeeding twenty-six (26) pay periods shall be deemed to be absent without leave.

Section 4. Cancellation of Leave Without Pay

Section 5. Voluntary Furlough (Short Term)

Notwithstanding any other provisions of this Article, the appointing authority, on approval of the Chief Administrative Officer, for good cause may grant a permanent or probationary employee a voluntary leave of absence without pay with right of return to the same position subject to the following conditions:

1. Leave must be taken in increments of one (1) full regular workday for the eligible employee (e.g., 8, 9, 10, or 12 hours).
2. Such leave shall be available only during a period or periods of time designated by the Board of Supervisors as times of economic hardship.
3. The amount of leave time taken during the period authorized by the Board of Supervisors shall not exceed the total number of hours in one (1) regular pay period for the eligible employee.
4. Credits toward sick leave, vacation, and holiday eligibility shall accrue as though the employee were on paid status.

ARTICLE 7. LEAVE OF ABSENCE WITHOUT PAY (Cont'd)

5. Time on this special unpaid leave shall apply toward time in service for completion of probation and toward seniority for purposes of layoff.
6. Employees shall not be required to use accumulated vacation and compensatory time off prior to taking this special unpaid leave.
7. Such leave is available only to employees who are on paid status the entire work day before as well as the entire work day after the work furlough days.
8. Employees on other leave without pay shall not be eligible for work furlough.

Section 6. Voluntary Furlough (Long Term)

Upon determination by the appointing authority that work force reductions may be necessary in the department, the appointing authority, with the approval of the Director, Department of Human Resources, may grant a corresponding number of permanent employees leave without pay with right of return to the same class in the department in which the leave was granted for up to twenty-six (26) biweekly pay periods subject to the following conditions:

1. The employee shall not be required to use accumulated vacation and compensatory time off prior to taking this type of leave.
2. In the event that there is no vacancy upon expiration of the leave, the employee may displace an employee in the same class who has fewer layoff rating points. In the event that there is no vacancy, and no employee in the same class with fewer layoff rating points, an additional leave of up to twenty-six (26) biweekly pay periods shall be granted during which the employee, if still physically fit, may fill the first vacancy which occurs in the same class.
3. The employee who is granted this type of leave shall continue to accrue seniority for purposes of calculating layoff rating points in the same manner as if on paid leave.
4. It is understood that employees granted this type of leave will not be eligible for unemployment compensation benefits while on leave.

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

The appointing authority shall determine by class, subject to review by the Director, whether demotion or reduction in salary shall be afforded employees as an option in lieu of layoff.

At the request of the appointing authority, a permanent employee may, in lieu of layoff, be afforded one of the following options: (1) demotion within the same department to a position in a lower class, provided that no such demotion shall in turn require the layoff or demotion from such lower class of any employee whose layoff rating is at least as high as that of the demoting employee; or (2) reduction in salary of no more than ten percent (10%) of the hourly wage rate, provided that no such reduction shall in turn require the layoff or reduction from such class of any employee whose layoff rating is at least as high as that of the reducing employee. An employee who selects the reduction in salary option shall not be eligible for consideration for the annual salary advancement pursuant to Article 4, Section 5. A. 2. for a period of one (1) year following the date of the salary reduction.

A probationary employee may be afforded the opportunity to accept a demotion within the same department to a position in a lower class provided no such demotion shall in turn require the layoff of any employee in the lower class. Such probationer shall not become permanent in the lower class by this action except by completing a new full probation period in such lower class.

I. Cash in Lieu of Compensatory Time Off

The Board of Supervisors may approve the payment of cash in lieu of compensatory time off for any employee who is laid off when such payment is in the best interests of the public service.

J. Eligibility to be Placed on Reinstatement List After Layoff

Thereafter, the provisions of section "K" shall apply to all employees who are subject to the conditions of section "K".

A permanent employee who is laid off, demoted in lieu of layoff, or whose compensation ordinance position is to be deleted as a result of the Board of Supervisors having had a second reading of an Ordinance amendment to delete the position, shall have his/her name placed on the reinstatement list for the class from which the employee is, or is to be, laid off or demoted in lieu of layoff. Employees shall be on the reinstatement list for two (2) years except that an employee who three (3) times refuses an offer of reinstatement to the class from which he/she was laid off, or to a class of equal status, or fails to respond to an offer of reinstatement,

shall have his/her name removed from the reinstatement list following said refusal. In addition, if the employee on the reinstatement list is appointed to a class from which he/she was laid off, or to a different class of equal or greater status than the reinstatement list class, then his/her name shall be removed from the reinstatement list. An employee who accepts an offer of reinstatement to the class from which he/she was laid off shall also be removed from the reinstatement list upon the date of reinstatement. The placement on the reinstatement list shall be determined in the same manner as for the order of layoff except in the inverse order thereof. Employees on the reinstatement list shall have the first right of reinstatement to any vacancies in any department for the class for which he/she is eligible for such reinstatement, subject to the following:

1. A new probationary period shall not be required of an employee reinstated to a department from which he/she was laid off;
2. A new probationary period shall be required of an employee reinstated to a different department than that from which he/she was laid off, except that failure of probation shall return the employee to the reinstatement list. In no event shall such failure of probation extend the employee's placement on the reinstatement list beyond three (3) years from the date of placement on it;
3. A reinstated employee will regain his/her seniority credit possessed at the time he/she was laid off, which shall count for purposes of vacation accrual rate and step increase. In addition, the employee's sick leave balance (except for that portion for which the employee paid cash at the time of layoff), and compensatory time off balance accrued as of layoff, shall be reinstated.

K. Eligibility for Employees to be Placed on Reemployment List After Layoff

A permanent employee who is laid off, demoted in lieu of layoff, or whose compensation ordinance position is to be deleted as a result of the Board of Supervisors having had a second reading of an Ordinance amendment to delete the position, shall have his/her name placed on the reemployment list for the class from which the employee is, or is to be, laid off or demoted in lieu of layoff. In addition, if the former employee who was placed on the reemployment list as a result of layoff is appointed to a position in the same class in the same department from which he/she was laid off, he/she shall not be required to serve a new probationary period.

An employee who was laid off and subsequently is reemployed from the reemployment list shall:

This grievance procedure shall not apply to matters:

1. Over which the Civil Service Commission has jurisdiction;
2. Covered by the Labor Relations Ordinance;
3. Concerning Performance Reports;
4. Concerning informal discipline including counseling, oral warnings, and letters of warning.
5. Concerning any other subjects, unless the subject is covered by the expressed terms of this Agreement or any portion of a departmental Policy or Procedures Manual that relates specifically to wages, hours and other terms and conditions of employment.

Section 2. Stale Grievance

A grievance shall be void unless filed in writing within forty-five (45) calendar days from the date upon which the County has allegedly failed to provide a condition of employment which has been established by this Agreement, or within forty-five (45) calendar days from the time at which an employee might reasonably have been expected to have learned of the alleged failure. In no event shall a grievance include a claim for money relief for more than the forty-five (45) day period plus such reasonable discovery period.

Section 3. Informal Discussion with Employee's Supervisor

Before proceeding to the formal grievance procedure, an employee shall discuss his/her grievance with his/her immediate supervisor in private and endeavor to work out a satisfactory solution. If the employee and his/her immediate supervisor cannot work out a satisfactory solution, the employee may then choose to represent himself/herself individually, or he/she may request the assistance of a representative who has been designated pursuant to Article 2, Section 4, "Employee Representatives," in reducing to writing and formally presenting the grievance.

The written grievance shall specify the Article, Section, and/or Subsection of this Agreement which is alleged to have been violated by the County, and shall specify dates, times, places and persons, and other facts necessary to a clear understanding of the matter being grieved. The immediate supervisor shall return a copy of the written grievance to the employee with his/her answer thereto in writing within seven (7) working days after receipt of the grievance. If the grievance is not resolved at this level, the employee shall have seven (7) working days from receipt of the supervisor's answer within which to file an appeal to the appointing authority.

Section 5. Grievance to Appointing Authority

The appointing authority shall have seven (7) working days in which to review, and answer the grievance in writing. Unless waived by the mutual agreement of the employee or his/her representative and the appointing authority, a meeting is required at this level, and the employee and his/her representative shall have the right to be present and participate in such meeting. The time limit at this level may be extended by mutual agreement between the appointing authority and the employee or his/her representative.

The decision of the arbitrator shall be based solely on the interpretation of the appropriate provisions of the Memorandum of Agreement applicable to the grievance, and he/she shall not add to, subtract from, modify or disregard any of the terms or provisions of the Agreement.

The provisions for arbitration are not intended and shall not be construed to empower an arbitrator to change any condition of employment, specifically covered by the Memorandum of Agreement, or to revise, modify or alter, in any respect, any provision contained in the Agreement.

Section 10. Payment of Costs

Each party to a hearing before an arbitrator shall bear his own expenses in connection therewith. All fees and expenses of the arbitrator shall be borne one-half ($\frac{1}{2}$) by the County and one-half ($\frac{1}{2}$) by the Association.

Section 11. Effect of Failure of Timely Action

Failure of the employee to file an appeal within the required time period at any level shall constitute an abandonment of the grievance. Failure of the County to respond within the time limit at any level shall result in an automatic advancement of the grievance to the next level.
